

Dear your Honor,

My NAME IS Jermal Anderson.

I'm writing you because my private attorney put a motion in 6 weeks ago, to remove himself from my case. He still hasn't got me an afterwrite so I can receive a court appoint lawyer. I feel he is stalling to keep receiving funds from me or to help the prosecution case. This is slowing down the process for me to access my right for a speedy trial, which I plan to exercise. If I can get a answer from the court about my situation I would highly appreciate. Please and Thank you.

Yours Truly
Jermal Anderson
